

Authorization For Direct Deposit Of Pension Warrant

I, _____, am a retired employee of the City of Seattle. I would like to participate in the Seattle City Employees' Retirement Systems (SCERS) automatic "direct deposit" program. I have attached a voided deposit slip to identify my financial institution and my account number.

I authorize SCERS to deposit the net pay shown on my warrant directly into my account at the financial institution shown on the deposit slip.

CHECKING _____ OR SAVINGS _____

(Select one)

If SCERS makes an excess deposit, or is required to withhold funds for garnishments, SCERS may make a debit directly from my account. I understand if a debit is made, I will be notified as soon as practical.

The deposits will be automatic and will continue monthly until I order the "direct deposits" to stop and SCERS can put my stop order into effect. To prevent any delay in deposits, I will immediately notify the retirement office in writing any change of banks or new account numbers.
